

## Clean Water System Fiber Series

The **Clean Water System**, will save you money in many ways. From reducing the amount of soaps and detergents that are needed for household cleaning and doing laundry. To the need for costly plumbing repairs and replacement of fixtures. At the same time providing your family cleaner, better tasting water, which helps to keep your skin soft and smooth while your hair stays silky and light.

### **FEATURES:**

- Energy Savings
- Reduces Inorganic Contaminants
- Removes Hardness
- Inhibits Bacteria Growth
- Absorbs tastes, odors and other organic matter
- Reduces Metal Contaminant
- Filter Ag Plus TM Filters Down to 10 Microns
- Multi-Depth Carbon Filtration
- Brine Tank with Safety Float

### **BENEFITS:**

- Softer, fluffier clothing
- Use less soaps and detergents
- Skin stays naturally smooth & hair silky clean
- Saves on plumbing fixtures & repairs

# Fiber Clean Water System:

- Extra Cycle Button
- Easy Programming
- Easy to read LED display
- Service and Self Diagnostic Indicator
- Advanced programming options including up to six independently adjustable cycle times with time remaining displayed during regeneration.
